

Eurodoc Survey

Eurodoc Postdoc Survey - Your Voice Matters!

This survey on postdocs working in Europe will investigate the challenges facing postdocs in the current job market in Europe, working and living conditions, their expectations and perspectives on their careers. All postdocs, by filling in the survey, will help to improve Eurodoc policies for junior researchers. Please answer the survey before 23 December 2018, it takes less than 10 minutes. MSCA+Eurodoc Survey - Structured Mobility for ITN PhDs

This survey on Structured Mobility for MSCA ITN Doctoral Graduates is aimed at PhD holders who have successfully completed an MSCA ITN doctoral programme which incorporated a form of structured mobility in the programme. The survey focuses specifically on the 'triple I' mobility of intersectoral, international, and interdisciplinary mobility. Take part in the survey by 30 November 2018! [Read more...](#)

Special Issue for Open Access Week 2018

Eurodoc Special Guest Series for Open Access Week 2018

The [Open Access Week](#) is a yearly event which raises awareness and promotes the free, immediate, and online access to scientific research through [Open Access](#) (OA) publishing. From 22 to 28 October 2018, Eurodoc published an article each day on various aspects of OA written by international experts:

22-10-2018

Bernard Rentier, Rector Emeritus at the University of Liège, explains the history of the OA movement and his views for the future.

Article: [Open Access: From Where? How? For What? And Where To?](#)

23-10-2018

Jason Schmitt, Professor at Clarkson University, discusses his recent documentary and views on OA and the scholarly publishing system.

Article: [For-Profit Publishing, Plan S, and Pulling the Band-Aid Right Off](#)

24-10-2018

Ignasi Labastida i Juan, Head of Office at the University of Barcelona, explains copyright licences for authors on how their works can be reused.

Article: [Understanding Creative Commons Licences](#)

25-10-2018

Jon Tennant, Paleontologist and Founder of the Open Science MOOC, discusses opening up research via the scholarly peer review system.

Article: [An Introduction to Open Peer Review](#)

26-10-2018

Helene Brinken, Project Officer at FOSTER and FIT4RRI Projects, talks about the need and resources to train researchers for Open Science.

Article: [Bridging the Training Gap to Foster the Adoption of Open Access](#)

27-10-2018

Heather Piwowar, Co-Founder of Impactstory and Unpaywall, tells researchers how to access peer-reviewed research articles for free.

Article: [How to Read Peer-Reviewed Research for Free](#)

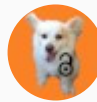

28-10-2018

Gareth O'Neill, Linguist and President of Eurodoc, explains the basics of OA and a new plan to achieve full and immediate OA by 2020.

Article: [Open Access and Plan S for Beginners](#)
